

What was the theme for your project and how did you respond?

How did your work change through the project?

What materials, techniques and tools did you use to create your postcards?

What do you think you have done particularly well?

What do you think you could improve on?

Are there any areas you wish you could have explored more?

How have you used line, tone, colour and shape?

**Are you happy with your final outcome?
What do you like in particular?**
